

Dress a Girl Around the World

Imagine a world where every girl owned at least one dress

Soroptimist International SNR – Sierra Nevada Region

I spoke to the CEO Rachel Eggum,
and she was thrilled to hear that we have adopted this program for our Region.
We have a wonderful **ambassador in the Sacramento Area & Nevada**

We can send our dresses to the ambassadors and they will see that they are distributed.

We are to send the dresses to the **ambassadors** for distribution

TRAVELING: If we have members that know of a place in America or in our travels that need dresses we are to contact the Ambassador and she will help to coordinate getting dresses to them or we can deliver the dresses if we are traveling.

DONATIONS: If we have members that want to donate money rather than sew we can use the funds for purchase of materials, patches, patterns, panties, socks and most importantly shipping.

PATTERNS: Rachel said that if we have women that sew and would rather use a commercial/store bought pattern we can use a simple sundress, no zippers, no buttons. There is a Simplicity pattern available or they can download the directions from the Dress A girl around the world from the website.
